

PUBLIC UTILITIES COMMISSION

City and County of San Francisco

RESOLUTION NO. 12-0216

WHEREAS, pursuant to the San Francisco Charter, the management and control of the Community Choice Aggregation (CCA) program is the responsibility of the San Francisco Public Utilities Commission (Board of Supervisors Ord. No. 146-07, Section 1(a)); and

WHEREAS, in June 2007, the Board of Supervisors adopted a Draft Implementation Plan per Ordinance 147-07 (Board of Supervisors Ord. No. 147-07, Section 5); and

WHEREAS, since the Implementation Plan states in several sections of the Plan that any decisions regarding construction of new facilities will be reached after environmental review is completed, the Bureau of Environmental Management determined that no environmental review is required for compliance with CEQA in order to approve the Plan; and

WHEREAS, the SFPUC authorized the General Manager to seek the approval of the Board of Supervisors to file a revised IP with the CPUC (SFPUC Res. No. 10-0019), and the Board of Supervisors subsequently adopted the revised IP (Board of Supervisors Ord. No. 45-10), and authorized its filing with the CPUC; and

WHEREAS, the CPUC certified receipt of the IP on May 18, 2010; and

WHEREAS, the SFPUC and the Board of Supervisors have considered and adopted significant changes to the CCA program since May 18, 2010, including: 1) a goal of a 100% renewable portfolio at program launch; 2) negotiations of contracts with Shell Energy North America for electricity supply and Noble Americas for customer care and billing services; and 3) authorization to launch CleanPowerSF and to appropriate funds to execute the contract with Shell Energy; and

WHEREAS, in CPUC Decision 12-08-045, the CPUC has directed existing CCAs to file an updated CCA IP conforming with the customer data privacy and security protections the CPUC recently applied to CCAs; and

WHEREAS, these CCA-related developments require material changes to the certified 2010 IP and re-filing with the CPUC; and

WHEREAS, pursuant to PU Code Section 366.2(c)(3), any subsequent changes to an IP shall be adopted at a public hearing and filed with the CPUC; now, therefore, be it

RESOLVED, that the Commission approves the attached 2012 Updated CCA Implementation Plan and Statement of Intent; and be it

FURTHER RESOLVED, that the Commission authorizes the General Manager to file the 2012 Updated CCA Implementation Plan and Statement of Intent with the California Public Utilities Commission.

I hereby certify that the foregoing resolution was adopted by the Public Utilities Commission at its meeting of November 13, 2012.
